

# Fire Extinguisher Training Course

This interactive and comprehensive one and a half hour course has been designed to assist employers in meeting part of their legal obligations under **the Regulatory Reform (Fire Safety) Order 2005**. The course provides the necessary knowledge to enable personnel to identify and select the correct fire extinguisher in the event of a fire and to use it effectively and safely. The course is suitable for all members of staff in the workplace.

The course syllabus includes the following topics:

- Recognition of the 5 classes of fire
- Identification and selection of the appropriate fire extinguisher
- The correct operation of the different types of fire extinguisher
- Examples of real fires
- Fire extinguisher safety
- How to use a fire blanket
- The importance of fire safety
- Practical use of fire extinguisher session (live fire options available)

**Course Duration:** 1 ½ hours approximately.

**Location:** Training can be conducted at your premises at a time and date to meet your needs. Regular public courses are run on our own premises.
