

# Fire Warden Training Course

This interactive and comprehensive half-day course has been designed to assist employers in meeting their legal obligations under **the Regulatory Reform (Fire Safety) Order 2005**. The course provides the necessary knowledge to enable those personnel who successfully complete it to carry out the duties of a Fire Warden in a professional and competent manner. The course is suitable for Managers, Supervisors, Fire Wardens requiring initial or refresher training, or any member of staff who has a specific responsibility towards fire safety.

The course syllabus includes the following topics:

- Fire legislation
- Common causes of fire
- The nature of fire and chemistry of combustion
- Fire alarms
- Fire prevention
- Routine fire inspections and maintenance of a fire log
- Roles and duties of a fire warden
- The main causes and effects of fires in the workplace
- Actions on the outbreak of a fire
- Identification and use of fire extinguishers (including practical session)
- Emergency evacuation procedures
- Safety features within buildings

**Course Duration:** 3½ hours approximately.

**Numbers:** a maximum of 16 delegates can be accommodated per instructor. Larger groups can be catered for, but the ratio must not exceed 16 delegates per instructor

**Location:** Training can be conducted at your premises at a time and date to meet your needs. Regular public courses are run on our own premises.
